Discussion Questions: John 1:19-34:

1. If John the Baptist was helping to prepare the way for Jesus through focusing on repentance, why do you think repentance is so essential for receiving Jesus?
2. Why do you think that the title "*The Lamb of God*" was the first title given to Jesus by John? What does it tell us about Jesus and His ministry?
3. In what ways did John the Baptist prepare the way for the Lord? What was His ministry and how did it differ from that of Jesus?
