**Discussion Questions: 2 Kings 8:**

1. What part did the Shunammite woman's obedience play in God's provision for her and her son? Do you think obedience to the Lord resulting in receiving a blessing is true today? (Read Deuteronomy 30:15-17) How is her obedience linked to her faith?
2. What does the Shunammite providential return just as Gehazi is telling her story to the King tell us about God? Can you think of an instance in your life experience where you encountered God's omniscience? (Read Romans 8:28-30)
3. Can you imagine how Elisha felt seeing the devastation of God's judgement upon Israel as he prophesied over Hazael? The Bible teaches that God is patient but eventually judgement will come. How does this impact you in the need to be "right with God"?
