2 Kings 6:1-7 and Africa Update
Okongo Samson & Pastor Dave Collins

“Both Elijah and Elisha were concerned that the next generation knew the Lord and understand His Word, and this is the church’s commission today (2 Timothy 2:2). D. L. Moody and Charles Spurgeon were not privileged to have formal training for ministry, but both of them started schools that are still training God’s servants today. It’s good to serve our own generation, but let’s not forget the generations to come.” (Warren Wiersbe)
