Discussion Questions: Philippians 2:1-11:

1. How does Christ's relationship with the Father influence Christ's willingness to look out for the interests of others and not just his own? How is this a model for us in our relationship with God?
2. What struggles in life make it difficult to take "*the form of a servant*"? In the midst of difficulty what are you believing at a heart level that causes you to turn toward self-service, rivalry or conceit?
3. Who are the people in your life that God is calling you to have one mind with? How are you cultivating this? When you think of your Christian communities, do you view it as being for the sake of advancing the Gospel?
