Discussion Questions: I John 3:1-10:

1. What does it mean to you to be called a child of God - belonging to the family of God? Do you think this a big deal? Why?
2. Read Romans 6:12-14 and compare it with verse 6 of this week's text. In what ways does this bring clarity to John's statement that anyone born of God will not continue to sin?
3. How do you think God views sin (see verse 8)? Do you think that you have the same view of sin? Does the church today have the same view of sin?
4. What is the only way to combat the sin in our lives (read John 15:5)? How is this consistent with John's teaching in 1 John?
