**Discussion Questions: 1 John 3:11-24:**

1. In verse 14, John writes about “passing from death to eternal life.” What do you think that means? Why do you think that love for our brothers and sisters is the proof of eternal life residing in us?
2. How clearly do your actions say that you really love others?
  - How can you love with your money?
  - How can you love with your possessions?
  - How can you love with your time?
  - What changes need to be made right now in order for others to see the love of God in you through these areas?
