For the week of January 20, 2019

**Discussion Questions: Haggai 1:**

1. If you were an Israelite, how might you respond to this prophet's challenge in 1:2 and 1:4? Have you ever neglected God's work so that you could take care of your own personal needs? Is there anything in your life, family, church or business that the Lord is challenging you to change? Read Romans 12:1-3.
2. How do you think obedience is related to repentance? Do you think that their associating of God's Word with the prophet's word had anything to do with their obedience? How does this week's sermon affect your response?
