Discussion Questions: Haggai 2:10-23:

1. What is it that makes one holy? Are there things that we do that make us holy? According to verse 14 humanity is defiled, so what is it that makes us holy as Christians?
2. As Christians, we need to be clear that our fleshly nature is defiled and that no good thing can come from it. Read through Galatians 5:16-21. When was the last time you let the flesh lead you in some deed rather than the Spirit? What was the result? How did you recover?
3. On what grounds does Haggai 2:18 state that one gains God's blessing?
