Discussion Questions: Revelation 2:1-11:

1. Read Luke 10:39-42. How do you think this relates to the church at Ephesus? What do you think the balance is between works, deeds, purity and our relationship with Christ? How important do you think this is?
2. What do you think Jesus meant by “**Whoever has ears, let them hear what the Spirit says to the churches?**” Is the inference that some will not listen? Is it a call to pay close attention to what is being said?
3. What do you think of God’s assessment of the church at Smyrna? These had tribulation and were poor folk who Jesus said were rich. What do you think God’s assessment of Hope? Do you think we might be surprised by what way God truly thinks?
