**Discussion Questions: John 9:**

1. What can we learn from the blind man in the way he testified about Jesus? How can we apply this principal to our own witness about what Jesus has done in our lives?
2. What do you think the healed man's parents were afraid of? What can their response teach us regarding our relationships when we accept Jesus into our lives?
3. (Thinking about chapter 9) The key to finding Jesus and the salvation He brings isn't rooted in our sincerity, intelligence, or effort, but in our incapacity. What do you think is meant by this statement? Do you agree or disagree?
