**Discussion Questions: Revelation 10:**

1. What encouragement do you find in verses 5 & 6? Does the angel who delivered the message have any effect on your receipt of this encouragement. How can this encouragement help us in the pre-tribulation days we are living in?
2. In reading verses 9 & 10, how is reading the book of Revelation both sweet and bitter? Do you think this is what these verses reflect? Read Ezekiel 2:9 – 3:3, 10 & 14. Does this clarify what John experienced?
