Discussion Questions: Revelation 18:

1. In verse 4, God commands His people to come out of Babylon. If Babylon is a system, how would one go about this? Do you think it is easy to see where we as Christians have been influenced/drunk with the wine of the Harlot's adulteries?
2. The economic system fails, and all was lost. Is there anything that you have that can be taken away in an hour? How would that affect you? The Harlot thought that she would never be in need (vs. 7) but was utterly destroyed.
3. How do you think James 5:1-6 applies to Revelations chapter 18? How do we as believers respond to this teaching?
