Discussion Questions: Genesis 6

1. What can we say is the result of the corruption caused by sin beginning from Adam and Eve to Noah? How does the phrase, "Sin corrupts and it corrupts absolutely" alter your view of sin in your life?
2. Chapter 6 indicates that God has feelings (verse 6) regarding sin. How should this cause us to respond? Do you think we tend to take our sin too lightly?
3. What is God called you to build an arc and fill it as Noah did? How does Noah's example of faith teach us to live in an ungodly age?
