Discussion Questions: Genesis 35

1. How is Jacob's vow from Genesis 28:20-22 fulfilled in coming to Bethel and recommitting his life and that of his family? What part do you think the history of Jacob's pilgrimage plays in his feelings/commitment towards God? What is the end result? How can we relate this to our lives?
2. What part do you think thankfulness plays in Jacob's act of worship at Bethel? Is it a thankfulness because all has gone well? Or, is it rather like the old hymn "It is well with my Soul"?
